

Static Check Weighing System

Weight Checking
System

Count Checking
System

Weight: 10.000 kg
Product Code: 1
Result: 10.000 kg
OK

Weight: 5000.0 g
Unit Wt.: 500 mg
Result: OK
Count: 10000

Check Weighing Scale (static)

Powerful creativity and productivity tools live inside

SAY HELLO TO THE FUTURE

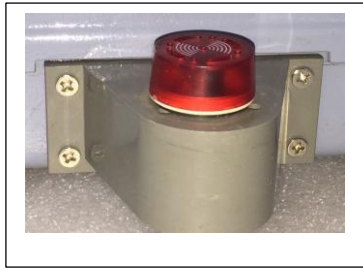

Bridging the gap between design and technology

Designed with the latest Technologies keeping user's need in mind. Making user's day to day working with great ease.

Quality materials and best designs

System, features & Specifications:

Commitment to stronger design

- Available in all the capacities of Table Top and Platform scales
- Ideal for harsh environment applications such as food processing, food service & outdoor use
- Internal resolution 300,000 counts.
- Keyboard calibration.
- Calibration Traceability to National Standards

Weighing Machine Specifications and Features

- Complete solution for weighing and checking w.r.t. weight or count
- Weighing Scale capacity as per the application
- 100 item unit weight or product code Memory
- Check Weighing / Check Counting
- Choice of single error indication common for high and low both
- Or Tower light with three separate indication for High, Low and Ok.
- Choice of just buzzer, Hooter indication instead of light Indication or both
- Auto calculation of count
- Ease of operation using 16 key Keyboard and 20X4 Alpha numeric LCD
- Easy to operate by shop floor worker
- Easy maintenance of weighing machine with minimum components
- High featured Software with dual microcontroller
- Customized option
- Easy to clean ABS enclosure; resistant to harsh and corrosive environments
- 20 X 4 line Alpha Numeric LCD for ease of setting the parameters
- Separate LED Display for Weight in case of weight checking machine
- Separate LED Display for Count in case of count checking machine
- Highly accurate and fast for continuous production and packing.
- Designed with 200% safety margin and high quality branded raw material procured from the most reliable supplier makes the machine most reliable
